

Ask Me About

September 19, 2014

Dear Families of our JK/SK class,

There is so much I do all day in JK/SK that it is hard for me to remember it all. Saying "nothing" is so much easier! So, here is a list that will help us to talk about all of the great things I did at school during the second week.

Ask me about...

- Exploring corn with magnifying glasses and at the "corn" table
- The stories my teachers read to me:
 - *Minerva Louise* (a very silly book)
 - *I Have Feelings*
- Counting to 50 as a whole class
- Counting game (pick a number and count up to that number)
- Our new words (*we, like, can, the*)
- Having our first practice Lockdown and meeting Policeman Kevin
- Learning new words with the 'at' family (*cat, mat, that, hat, bat*)
- Counting the numbers of letters in our names
- "Funny Running" in gym class (ex. Run like a tiger, elephant, penguin, snake)!
- Astro cars outside to play with during recess
- Finding capital (upper-case) letters, letter of the day and sight words in our morning message
- New centres (animals with our blocks, sandwich stacking,
- Listening Centre books: *Smelly Socks* and *Chicka Chicka Boom Boom*

The Junior/Senior Kindergarten Class
